

Hello! My name is

# Madeleine

...newrest sent me to help you grow strong and healthy

You can find me by surprise inside of a walnut or diving in a bowl of soup

I live in a pumpkin and everyday I look after my organic vegetable garden

I travel on a magic spinach leaf. That way there's no pollution!

I love vegetables, pasta and fruits... I would eat entire baskets of apples if I could!!

I get along great with my neighbors and I always help them when I can

I care about biodiversity and climate change

I support those who need it most

I was born in France, but I speak many languages and I have friends all over the world

I love to play sports, especially in a team!

Oh... and I'm the best cook in the UNIVERSE!!!... Well, after my Grandma anyway
